Kits, covering, engines, tanks, flight boxes, props, chargers, spinners, wheels, 6 transmitter carry/storage cases, new and used parts, accessories, hardware, etc. Basically a whole modeling shop and air force ready to go. Come take a look and see if there is anything you might want or could use. Please call ahead and I will make sure to be here. Leave message machine and I will call you back if we are out and about. Selling all of this for my sister. Her husband died back in Sept and had all of this stuff out in his shop over in Sherman. If you email me about this stuff, please use "Estate Sale" as the subject of the message so I don't trash the message as unknown sender or spam. Thanks.
